WELCOME TO ICA

THE MULTI-LINE INSURANCE COMPANY

Established in 2007 by Afghan and International businessmen, **ICA**, the Insurance Corporation of Afghanistan, is the country's first privately owned, multi-line insurance company; **ICA** received its full government licence in 2008.

We offer companies and organisations affordable and comprehensive risk insurance coverage for their property and liability exposures, a key requirement for many lenders.

ICA offers a range of insurance products including

- Aviation
- Banking
- Business Interruption
- Cargo
- Construction, Mining & Engineering
- Group Personal Accident
- Health
- Liabilities
- Life
- Political & Terrorism
- Property
- Vehicles

By establishing direct relationships with some of the leading insurers and re-insurers in the London and International Insurance Markets including leading underwriting syndicates at Lloyd's of London, we can satisfy virtually all requirements and offer state-of-the-art insurance coverage. Lloyd's of London has never failed to pay a valid claim in over 300 years of its history, and net worldwide premiums in the UK insurance market totals almost \$200bn.

ICA capitalises on the financial strengths of the international insurance markets and eases your investment risk by spreading many risks of conducting business in Afghanistan for both local and international companies.

The combination of the power of a mature and stable international insurance industry with local input, expertise and knowledge ensures that all our customers not only have global reach, but also a bespoke local perspective.

ICA actively engages in building a positive future for Afghanistan and, by offering robust cover to international and local businesses, actively contributes to the health and well-being of the population and creates local employment and security for all.

ICA operates a core service ethic which is professional, customer-focussed and courteous.

We look forward to advising, helping and supporting your business needs.

YOUR COMPANY DESERVES

THE BEST PROTECTION

ICA has appointed AON Group as their lead London broker – a partnership which has allowed us to source the very best protection and insurance products for our clients based in Afghanistan.

As a result of that relationship we have created and accessed a range of innovative products designed to meet the specific requirements of our clients.

Our customers can now operate with peace of mind, enabling them to concentrate on their core business and the opportunities available to them in a diverse and energetic environment.

Your policy has to respond quickly, effectively and fairly to minimise the impact on the business. Backed by first-class security and dependability insurance policies from ICA give you peace of mind and valuable protection at an affordable price.

Our Kabul-based team of seasoned insurance professionals manage the overall company's affairs. We have attracted a group of young Afghan graduates through a robust, rigorous and intensive training programme which is ongoing as our product range expands.

This knowledgeable and qualified team are well versed in all aspects of the insurance business, from marketing and underwriting, to risk management, policy service and claims.

In addition they uniquely have local understanding and can advise on the most competitively priced and innovative insurance products that are available.
